

# Cuban Pork Sandwich

Printed from Pork Recipes at <http://www.porkrecipes.net/>

*Few have had this Cuban-style café classic, but once you try it, you'll be making it again.*

## Ingredients:

Cuban or French buns, halved  
½ pound cooked ham, thinly sliced  
½ pound leftover pork loin, thinly sliced  
½ pound Swiss cheese, thinly sliced  
Sliced dill pickles, to taste  
Yellow mustard, to taste  
Softened butter, as needed

## Directions:

- 1) Preheat a Panini grill or large skillet over medium-high.
- 2) Arrange the sandwiches: layer slices of ham, pork, cheese, pickles, and mustard on each sandwich bun. Butter both sides of the outer bun.
- 3) Place bun on Panini or skillet; cook until golden on both sides, pressing down to flatten sandwich as it cooks. Serve warm.
